**ENVIRONMENTAL PROTECTION ACT,
PART I**

APPLICATION FOR AUTHORISATION

SURFACE TECHNIK (OLDHILL) LIMITED has applied for authorisation from Dudley Metropolitan Borough Council to continue to operate an ANTI CORROSIVE COATING AND STRIPPING PLANT (which involves gritblasting, painting, metal spraying, pickling and chemical stripping) at:

SOVEREIGN WORKS, DEEPPALE LANE, LOWER GORNAL, DUDLEY, WEST MIDLANDS DY3 2AF

A copy of the application is available for public inspection free of charge, during normal office hours, at Environmental Health and Consumer Services Department, 4 Ednam Road, Dudley, West Midlands DY1 1HW.

Written representations about the application may be sent to Dudley M.B.C Environmental Health and Consumer Services Department, 4 Ednam Road, Dudley, West Midlands DY1 1HW. Those received by the local Authority within 28 days of the 10th of December 1992 will be considered in determining the application.

17 NOV 1992

Dear Sirs

**ENVIRONMENTAL PROTECTION ACT 1990 PART I: AUTHORISATION FOR
GRITBLASTING AND METAL SPRAYING PROCESS**

Thank you for consulting the Health and Safety Executive about the above application for gritblasting and metal spraying process at Sovereign Works, Deepdale Lane, Lower Gornal, Dudley DY3 2AG submitted by Surface Technik (Oldhill Ltd). Details of the application are noted for our records.

This process involves the use of, or may give rise to, substances likely to be subject to the Control of Substances Hazardous to Health Regulations 1988 (COSHH). Occupational exposure limits for a range of substances have been assigned under COSHH. Details of these standards are given in the current edition of Guidance Note EH40, published annually by HMSO.

I confirm that HSE is responsible for enforcing health and safety legislation at these premises. In our assessment of this application we have not identified significant elements of conflict or ambiguity with health and safety at work issues. However, if your consideration of the application suggests that these conflicts might develop then please let me know. I would be pleased to discuss these with you before you make a determination.

It is suggested that the following text may be a useful reminder to the applicant and could be included in any covering letter sent with the authorisation. "This authorisation is issued under Part 1 of the Environmental Protection Act 1990. The responsibilities you have under legislation for health, safety and welfare in the workplace remain in force".

.....

.....

.....

.....

.....

.....

When the authorisation is issued I would be grateful if you would forward a copy to me for retention, so that it may be consulted at any future visit to the premises.

Yours faithfully

P.P. N. Sc. John

Dudley
West Midlands.

Dear Sir,

Re: The Environmental Protection Act 1990 PT1.

Further to your letter of the 7th of October 1992, requesting additional information against our application we submit the following.

- 1) Amount of Organic Solvent consumed over a twelve month period we estimate would be in the region of 36 metric tonnes. This is based on quantities purchased minus recovered or recycled amounts.
- 2) We have a theoretical maximum production capacity for the application of thermally sprayed coatings of 34 tonnes per twelve month period (over the last twelve months the amount used was approx 3 tonnes).
- 3) We confirm that it is this company's intention to comply with the requirements of part 1 of the Environmental Protection Act 1990.

We trust the above is satisfactory but please do not hesitate to contact the undersigned should you have any queries.

Kind regards,

Yours faithfully,

Mr John Linney
Director
Surface Technik (Oldhill) Limited.
