

Lockett & Co
Retail, Licensing & Training Consultants

11th June 2012

**FOR THE ATTENTION OF THE LICENSING
OFFICER**

Dear Sir/Madam

**Re Application to transfer Vapour Recovery Permit
Brierley Service Station Permit #
PET/PB/10/WK/201143760
Date Transfer Required: 25TH JUNE 2012.**

We enclose our client's application to transfer the Vapour Recovery permit for your department's attention and trust that you will find that everything is in order. The site was recently involved in a transfer from Total Oil to Rontec Watford Limited. The site has now been purchased by Shell UK Oil Products Limited. We have outlined above the required transfer date.

We request that the permit be returned to us at Lockett & Co in order that we may forward it to our client.

If you should have any queries with regard to this matter would you please contact us in the first instance rather than reject or return the application.

It may be that we can speedily resolve any query for you by this method.

Thanking you in anticipation

Yours faithfully

Lockett & Co

B1 Do you wish to transfer the permit in whole or in part?

Transfer whole permit

Partial transfer

In the case of partial transfer only please fill in the table below with details of which parts of the installation are to be transferred to the proposed transferee, 'the transferred unit', and which parts of the installation will be retained by the original operator.

In Column 1, Box A *Activities in the stationary technical unit which are to be retained by the operator*

Please identify all activities listed in Schedule 1 to the EP Regulations that are proposed to be retained by the original operator in the stationary technical unit of the installation.

In Column 1, Box B *Directly associated activities which are to be retained by the operator*

Please identify any directly associated activities that are proposed to be retained by the original operator on the same site which:

- * have a technical connection with the activities in the stationary technical unit
- * could have an effect on pollution

The transferred unit

In **Column 1, Box A(i) Activities in the stationary technical unit which are to, or have, ceased operation.**

Please identify all activities listed in Schedule 1 to the EP Regulations that are proposed to transfer to the proposed transferee in the stationary technical unit of the installation.

In **Column 1, Box B(i) Directly associated activities which are to, or have, ceased operation**

Please identify any directly associated activities that are proposed to be transfer to the proposed transferee on the same site which:

- * have a technical connection with the activities in the stationary technical unit
- * could have an effect on pollution

In **Column 2, both Boxes A and B**, please quote the Chapter number, Section number, A(2) or B, then paragraph and sub-paragraph number as shown in Part 2 of Schedule1 to the EP Regulations. For example, *Manufacturing glass, unless falling within Part A(1) of this Section, where melting capacity of the plant is more than 20 tonnes per day*, would be listed as Chapter 3, Section 3.3, Part A(2)(a).

B1.1 Installation table for partial transfer of permit

COLUMN 1	COLUMN 2
Box A Activities to remain be retained by the original operator in the Stationary Technical Unit	Schedule 1 References
Box B Directly associated activities to be retained by the original operator in the Stationary Technical Unit	Schedule 1 References

Box A(i) Activities proposed to be transfer to the proposed transferee	Schedule 1 References
Box B(i) Directly associated activities proposed to be transfer to the proposed transferee	Schedule 1 References

B1.2 Site Maps

You do not need to provide a site map in the case of an application to transfer the whole of your permit.

In the case of partial transfer of the permit only please provide:-

* A suitable plan or map showing the activities on the site which are to be retained by the original operator and the activities which are proposed to transfer to the proposed transferee (the transferred unit) within the extent of the installation.

Doc Reference N/A

B2 Additional information

B2.1 Please supply any additional information which you would like us to take account of in considering this application for transfer.

Doc Reference Letters of Authority from Rontec Watford Limited & Shell UK Oil Products Limited. Covering Letter from Lockett & Co.

C1 Fees and Charges

The enclosed charging scheme leaflet gives details of how to calculate the fee for an application to transfer a permit. Your application cannot be processed unless the correct fee is enclosed.

C1.1 Please state the amount enclosed as a fee for this application.

Transfer
Partial Transfer

We will confirm receipt of this fee when we write to you acknowledging your transfer application.

C1.2 Please give any company purchase order number or other reference you wish to be used in relation to this fee.

N/A

C2 Commercial confidentiality

C2.1 Is there any information in this application to transfer, or partially transfer your permit, that you wish to justify being kept from the public register on the grounds of commercial confidentiality?

No

Yes

Please provide full justification, considering the definition of commercial confidentiality within the EP Regulations.

Doc Reference N/A

C2.2 Is there any information in the application to transfer, or partially transfer your permit, that you believe should be kept from the public register on the grounds of national security?

No

Yes

Do not write anything about this information on the form. Please provide full details on separate sheets, plus provide a copy of the transfer application form to the Secretary of State for a Direction on the issue of National Security.

C3 Data Protection

The information you give will be used by the Local Authority to determine your application to transfer, or partially transfer your permit. It will be placed on the relevant public register. We may also use and or disclose any of the information you give us in order to:

- consult with the public, public bodies and other organisations,
- carry out statistical analysis, research and development on environmental issues,
- provide public register information to enquirers,
- make sure you keep to the conditions of your permit and deal with any matters relating to your permit
- investigate possible breaches of environmental law and take any resulting action,
- prevent breaches of environmental law,
- offer you documents or services relating to environmental matters,
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows)
- assess customer service satisfaction and improve our service.

We may pass on the information to agents/ representatives who we ask to do any of these things on our behalf.

It is an offence under Regulation 38 of the EP Regulations, for the purpose of obtaining the transfer, or partial transfer of a permit (for yourself or anyone else) to:

- make a false statement which you know to be false or misleading in a material particular,
- recklessly make a statement which is false or misleading in a material particular.

If you make a false statement

- we may prosecute you, and
- if you are convicted, you are liable to a fine or imprisonment (or both).

C4 Declaration by transferees*: previous offences (delete whichever is inapplicable)

We certify

EITHER

No offences have been committed in the previous five years which are relevant to my/our competence to operate this installation in accordance with the EP Regulations.

OR

~~The following offences have been committed in the previous five years which may be relevant to my/our competence to operating this installation in accordance with the regulations:~~

N/A

Re:- Transfer of Licences and Consents

As you may be aware, at the time that Total UK sold its Retail network to Rontec, it simultaneously sold 251 sites to Shell UK Ltd. Since the sale, Rontec have operated these sites under a Management Services Agreement. Transfer of the operations to Shell will start to occur shortly and will continue throughout 2012.

Shell, have appointed, Lockett & Co. to handle the administration of the transfers of Petroleum Licences and other Consents. Please accept this letter as, Rontec's approval for Lockett & Co. to make enquiries and request transfer applications in this regard.

Should you have any questions please do not hesitate to contact the undersigned.

Yours faithfully
