## **PART B TRANSFER FORM**

### **APPLICATION TO TRANSFER A PERMIT**

#### **LOCAL AUTHORITY POLLUTION PREVENTION AND CONTROL**

**Pollution Prevention and Control Act, 1999  
Environmental Permitting (England and Wales) Regulations 2010**

#### **INTRODUCTION**

##### **When to use this form**

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a 'Part B' permit and wish to transfer the permit in whole to another person ('the proposed transferee'). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England and Wales) Regulations 2010 ("the EP Regulations"), both the operator and the proposed transferee must jointly apply to have the permit transferred.

Use this form if you already have a permit and wish to transfer the permit in whole ('the proposed transferee'). Contact the Council for a separate form if you wish to transfer part of your permit. Both the operator and the proposed transferee must jointly apply to have the permit transferred.

##### **Before you start to fill in this form**

You are strongly advised to read relevant parts of the Defra general guidance manual issued for LA-IPPC and LAPPC, republished in 2008 and available at [www.defra.gov.uk/environment/ppc](http://www.defra.gov.uk/environment/ppc). This contains a list of other documents you may need to refer to when you are preparing your application for the transfer of the permit, and explains some of the technical terms used. You will also need to read the relevant Process Guidance note as relevant The EP Regulations can be obtained from The Office of Public Sector Information, or viewed on their website at: [http://www.opsi.gov.uk/si/si2010/pdf/uksi\\_20100675\\_en.pdf](http://www.opsi.gov.uk/si/si2010/pdf/uksi_20100675_en.pdf).
